Pakistan Cultural Centre  
507 & 509 - 4656 Westwinds Drive NE  
Calgary, Alberta T3J 3Z5

July 8th, 2018

Dear Parents/ Guardians,

In celebration of Pakistan's Independence Day, PCA has the privilege in hosting a one-day program for all individuals across Calgary. This program includes musical performances, children's performances, competitions, speeches, and various different prizes. You are receiving this letter, because we select a numbered amount of participants to partake in our program yearly. Due to the limited amount of spots available, we give priority to our Urdu Classes students, if they chose to be a part of this program.

Considering the difficult choreography, we are looking for participants between the ages of 8-15. Participants partaking in the cultural musical dance performance represent each of the five provinces of Pakistan (Sindh, Balochistan, Punjab, KPK, Kashmir, and Gilgit Baltistan). At the same time, some students will also participate in performances on the Pakistani national songs. All participants are required to memorize the national anthems of both Canada and Pakistan. Selected participants must be present at all rehearsals and must be available for the entire day on August 12, 2018.

By signing this form below, you are agreeing to the media consent in displaying, publishing, or distributing these works on the PCA website, newspaper outlets, Posting on social media sites and/or for broadcasting on television. At the same time, you are giving full permission in allowing your children in participating in the above program listed. Forms must be handed in by August 1st, 2018 in order for consideration. For further questions, please contact program coordinator Laiba or PCA executive
